

Bugs

Kindergarten

**When I'm thirsty
I fill my mug with bugs
When I'm lonely I like to hug my bugs
When I'm sleepy
In bed I'm snug with bugs
I like bugs**

**They've got heads, a thorax
Abdomen, shiny backs
Antennae, and six legs
They start out tiny eggs
Chorus**

**Bumblebees, Dragonflies
Ladybugs, use your eyes
Grasshoppers, Fireflies
Walking Sticks, Butterflies**

**Zug a zug a zoo zoo
Bug a bug a boo boo
Chirp a chirp a choo choo
Any bug'll do!
Zug a zug a zoo zoo
Bug a bug a boo boo
Chirp a chirp a choo choo
Buzz, buzz, buzz
Chorus**

**Some are big, some can fly,
Some are small, some build hives
Some may bite, some may sting
Some have hair, some have wings
Chorus**
