

# Character In Motion

1<sup>st</sup> Grade

We like ourselves,  
we think we're worth  
More than the gold  
and the jewels on Earth  
We like our friends and family  
We value all of them equally  
And if you want to be our friend  
**YOU CAN BE**  
We'll stick by you 'til the end  
Because we  
**SHOW RESPECT & RESPONSIBILITY**  
**COOPERATION, CARING,**  
**AND HONESTY**

We make a choice, so do our friends  
We'll have to deal with the consequence  
If we choose carefully  
We'll reach our goal successfully  
Chorus

We work together as a team  
Cooperation is our daily theme  
When everybody works as one  
We have a lot more fun  
And get things done  
Chorus

We'll always tell the truth, it's true  
We know it's what we need to do  
It's true, we'll always  
tell the truth to you

Sharing things and taking turns  
These are important qualities  
we've learned  
Reaching out with helping hands  
This is the way to be a friend  
Chorus
